

About StandOut

Providing the opportunity for Christ to become real in the lives of our youth is the driving force behind the StandOut ministry!

We want to present the Word of God to youth in an atmosphere that's familiar to them with the goal of having them prayerfully open their hearts and minds to it. We want them to see the incredible calling God has placed on their lives, and then have them step up to the challenge of making a difference in the world for Jesus Christ!

Not only will they hear the Word taught, but they will also have the opportunity, via small group sessions, to get personal with the truths they've just heard. We'll challenge them to put the truth into action with thought-provoking questions and interactions so that they walk away with some good ideas as to how they can use what they have learned.

Our goal is to awaken our youth to a greater life of service and devotion to Jesus, and we hope that you will consider participating in our ministry by attending this year's conference!

What to Expect

- Four Sessions dealing with Revelation and End Time Topics. Each session will encourage the youth to make an impact on their world for Jesus.
- Sessions emphasize the reality of Christ and the importance of a real relationship with Him.
- Contemporary praise and worship music to prepare hearts for the truth.
- Small Groups with 7-10 people in each group to help youth apply what they have learned in the prior session.

The idea is to prepare youth for what will come and to inspire them to act accordingly. We are not out to "scare" anyone and that is not the tone of the teaching or the conference! We want to prepare them for their eternal future, and show them how this knowledge should change their perspective and behavior in the here and now!

StandOut Ministries has a goal of impacting youth, both saved and unsaved, with the reality of Christ. We are a non-profit organization that is funded and operated through the generous efforts of others who share in this desire. Our goal is to eventually be able to offer this conference at no cost in rural areas that are incapable of hosting a conference like this.

If you would like to partner with us in this endeavor through prayer and financial support, please contact us and we can show you how!
